2. Notification

Online Applications are invited for admission in Part-Time Ph.D. (Homoeopathy) Programme 2026-27 through University Research Entrance Test (URET) 2026-27 in Non-Stipendiary seats of 04 Department of Swasthya Kalyan Homoeopathic Medical College and Research Centre, Jaipur for session 2026-27. Admission to the Ph.D. programme will be made through University Research Entrance Test (URET) and interviews as per Ph.D. Regulations of the University based on U.G.C. Regulations guideline 2016, 2018 & 2022 and from Chancellor's Secretariat Rajasthan. Successful candidates will undergo Pre-Ph.D. Course Work of 06 months to be held at Swasthya Kalyan Homoeopathic Medical College and Research Centre, Jaipur.

Date wise schedule of admission programme is enclosed herewith.

3. Important Dates

Online Application beginning Date	17.09.2026
Online Application Last Date	07.10.2026

4. Scrutiny of Application Forms: Ph.D. registration committee constituted as per University under Ph.D. Rule No. 83.1 (b) will scrutinize all the applications received.

5. Nature of Seats: - At present all Ph.D. seats are non-stipendiary in nature.

6. Availability of Seats for Ph.D.

The Subject wise tentative numbers of seats available in affiliated University research centers are as follows:

Name of College/ Institutes	Name of Faculty	Subject for Entrance Test	No. of tentative
1. Swasthya Kalyan Homoeopathic Medical College and Research Centre, Jaipur	Homoeopathy	Materia Medica	06
		Repertory	06
		Practice of Medicine	06
		Psychiatry	02

* No of Seats may increase or decrease subject to their availability.

Number of seats available for will depend upon availability with university approved research guides and required available facilities.

7. Eligibility

1. The admission to the Doctoral degree programme shall be in all the subjects in concerned department

where Post Graduation programmes are being offered by the Institute.

2. For Allied or trans disciplinary research, the admission shall be made on the availability of subject guide.
3. The applicants for admission to the Ph.D. programme shall possess any of the following qualifications, namely Post Graduate degree in Homeopathy from a recognized University or Institute established by law; or
4. The eligibility qualifications for Foreign Nationals are the same as specified in these regulations for Indian Nationals and further, they are required to submit their applications through Indian Council for Cultural Relations.
5. Master's degree in the appropriate discipline of any recognized University/Institute or equivalent, with a minimum of 55% marks in aggregate (of all the years/ semesters) where marks are awarded or minimum equivalent Cumulative Grade Point Average (CGPA) as defined by regulatory bodies/University or any other competent body as the case may be.
6. Those candidates who are not having or mentioned any marks in their PG degree by recognized University they are also eligible for admission in Ph.D.
7. A relaxation of 5% or equivalent grade point in the minimum eligibility shall be applicable to the applicant belonging to the categories of SC/ST/OBC (Non Creamy Layer) and Differently abled persons or categories decided by UGC or those who had obtained their Master's Degree prior to 19th September, 1991. The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned above are permissible based only on the qualifying marks without including the grace marks procedure.
8. All applicants have to apply for the entrance test in specified format along with fees decided by the authority from time to time.
9. The applicants appearing in the final year examination of their respective Post Graduate degrees may also apply for entrance test; however, their registration shall be subject to their passing in those examinations at the time of registration.
10. The Central Government-sponsored international scholars shall be exempted from entrance test: Provided that they have to complete the course work decided by the Institute.
11. Any faculty member of the University Constituent Colleges shall be considered equivalent to a full-time PhD candidate, depending on availability of seats and therefore eligible for admission provided they clear the PhD entrance exam and fulfill point number (4) mentioned in entrance examination.
12. If failure in fulfilling the seats of a subject, any scholar as per rules of allied subjects is eligible for admission under that subject's guide.
13. A foreign student of any faculty shall be required to present himself/herself for such registration. His/her case will be considered only if he/she has come on research visa and having a post graduate

degree recognized by NCH. In case of large number of foreign student's applications for Ph.D. an entrance test may be conducted depending upon the availability of the seats.

14. Applications of In-service candidates must be duly forwarded by the employer to the university in prescribed format thereof by the last date of submission of application form.
15. Ph.D. Programmes through part-time mode will be permitted, provided all the conditions stipulated in these Regulations are fulfilled-
16. The Higher Educational Institute concerned shall obtain a "No Objection Certificate" through the candidate for a Part time Ph.D programme from the appropriate authority in the organization where the candidate is employed , clearly stating that;
 - i. The candidate is permitted to pursue studies on a part-time basis.
 - ii. His/her official duties permit his/her to devote sufficient time for research.
 - iii. .If required, he/she will be relieved from the duty to complete the course work.

8. Fellowship

Candidates having sponsorship/assistantship/fellowship/any financial support from state or national level agency, etc. shall be given preference in admission in the full-time regular Ph.D Programme, however, candidates without any financial support as above, shall be eligible to take admission to full time Ph.D programme.

9. How to Apply (Admission Process)

9.1 Submission of Application & Fees

1. Online Application form is available at university website: <https://phdadmission.rauonline.in>
2. Candidate is required to Apply online prescribed format and with online deposit of application fee Rs. 1000/- (Rs. One thousand only).

9.2 Entrance Test (Scheme of Exam)

1. The eligibility test shall be based on knowledge of **Homoeopathy** with special focus on the concerned subject of specialty current advances in Medical Science, Research Methodology, Biostatistics and there shall be one question papers containing two different parts of multiple-choice questions format, namely, Part I and Part II bearing equal weightage of fifty marks each.
2. Part Ist shall comprise the questions on Research Methodology and Biostatistics along with the current advances in Health Sciences and it shall be common for all the applicants and Part II shall be subject specific.
3. The duration of the entrance test shall be ninety minutes.
4. An applicant has to secure a minimum of fifty percent cumulative marks for qualifying the examination for the General or the Other Backward Classes or the Social and Economically

Backward Classes categories and forty-five percent for the Scheduled Cast or Scheduled Tribes categories. These candidates will be considered qualified for being called for interview taken by a duly constituted committee. Final result shall be declared after interview.

5. If applicants of the same category and of the same specialty, score cumulative equal marks in entrance test, the marks obtained in Part I shall be considered for the merit and in the condition of scoring equal marks in Part I, the marks secured in the final year graduation theory exam shall be considered for merit place. In case where the total final year BHMS marks are also found equal. Total marks of the 12th standard will be considered to decide merit.
6. The selection of the Allied or Trans disciplinary scholars shall be based upon the University Grants Commission guidelines.
7. Simply qualifying the PhD entrance test does not give right to candidate for getting admission, it is subjected to availability of seats, facilities and fulfilling other criteria.
8. The seats and guides will be allotted to the candidates strictly on the basis of their merit in interview/entrance test for the Ph.D. seats.

9.3 Syllabus for Entrance Test

Syllabus for entrance test will be level of Post Graduate Course.

9.4 Declaration of Result of Entrance Test

1. Result of entrance test shall be valid for current year only and it cannot be used for admission during subsequent year. Final result shall be declared after interview.
2. All the information relating written examination, result, interview, course work etc. shall be uploaded on university website. Candidates should frequently visit the website for updated information. Therefore, applicants are advised to check website regularly.

10. Joining and Registration

1. Candidates will join the concerned department after submission of required documents and admission fees. The departmental heads should verify the facts in this regard before allowing the candidates to join.
2. In-service candidates may join after submitting their No Objection Certificate issued by their parental department.
3. A copy of joining letter of the candidate, counter signed by HOD will be given to university through the Principal/Director.
4. The date of joining along with submission of admission fees by the Ph.D. scholars shall be counted as beginning of Ph.D. term.
5. The Head of the institute/ college will forward the Synopsis to the University office for registration, after getting approved from the Departmental Research Committee (DRC), Institutional Research Committee (IRC) and Institutional Ethics Committee (IEC). The Head of the institute/ college will verify for the following:

- a. Whether the candidate is eligible for registration.
- b. Whether the candidate is within the permission quota of the supervisor.

6. The application for registration shall be placed before the Hon'ble Vice-Chancellor, who after satisfying himself in regarding to verification of eligibility of Supervisor, required fees, requisite qualifications, title concerned to the topic etc.; will issue permission for the registration.

11. Allotment of Stipendiary and Non-stipendiary seats-

1. In case of stipendiary seats, the available seats shall be allotted equally among all the departments and in case when sufficient scholars are not available in concerned departments, the remaining seats shall be allotted to other departmental scholars as per the merit list of the entrance test, subject to the availability of seats under the Guides of concerned department.
2. In case of non-stipendiary seats, the qualified candidates may opt for seat as per subject availability and availability of seats under guide.
